

**THE SLOVENIAN SOCIETY
FOR NON-DESTRUCTIVE TESTING**

is organising

THE 14th INTERNATIONAL CONFERENCE

**»APPLICATION OF CONTEMPORARY
NON-DESTRUCTIVE TESTING IN ENGINEERING«**

<http://www.fs.uni-lj.si/ndt>

FIRST ANNOUNCEMENT
CALL FOR PAPERS

**VENUE OF THE CONFERENCE:
GRAND HOTEL BERNARDIN
BERNARDIN, SLOVENIA
SEPTEMBER 4-6, 2017**

General information about Slovenia & Bernardin

<http://www.slovenia.info/>

SUBJECT OF THE CONFERENCE

- Applications of non-destructive methods for constructions testing;
- Control of materials and constructions with various non-destructive testing of materials and constructions;
- Mathematical modelling in non-destructive testing;
- Computer-aided methods for non-destructive examinaion of materials and constructions;
- Applications of various non-destructive methods for materials testing in manufacturing and operation;
- Automation of non-destructive testing of materials and products in mass production;
- Innovations in non-destructive testing techniques;
- Evaluation in indications, reliability estimations and estimation of defect acceptability;
- Training, personel qualification and certification for non-destructive testing;
- Facilities and equipment qualification and authorization of non-destructive testing;
- Standards and application of standards in the fields of non-destructive testing.

CONFERENCE CHAIRMAN

Prof. Janez Grum,
Faculty of Mechanical Engineering
Aškerčeva 6, 1000 Ljubljana, Slovenia
E-mail: janez.grum@fs.uni-lj.si

CONFERENCE CONTACT

Assist. Prof. Tomaž Kek
Faculty of Mechanical Engineering
Aškerčeva 6, 1000 Ljubljana, Slovenia
E-mail: tomaz.kek@fs.uni-lj.si

PRESENTATION OF PAPERS

Authors willing to participate in the conference & exhibition with their contribution referring to the above participation or registration should submit the title of the article, name of author(s) and name of the organisation/institution and a short one page abstract, including the conference heading and keywords as in the example before December 31, 2016. Additional information can be found on <http://www.fs.uni-lj.si/ndt> or you can contact: The Slovenian Society for Non-destructive Testing, Assist. Prof. Tomaž Kek, E-mail: tomaz.kek@fs.uni-lj.si, Aškerčeva 6, SI-1000, Ljubljana, Slovenia, tel.: +386 1 4771 430, fax.: +386 1 4771 225.

BERNARDIN – SEA RESORT IN THE HEART OF EUROPE

Sea, wind, salt, Mediterranean scents, palms, roses and evergreen plants, relaxation, entertainment and companionship are just a few of the words to easily introduce **Bernardin**. The intermingling of various cultures and musical styles, nature, culinary delights and turbulent historical events have all created an atmosphere in which the tensions and stress of everyday life simply disappear in a relaxed state of mind.

GRAND HOTEL BERNARDIN – CONGRESS VENUE

Bernardin and Portorož offers a range of different hotel accommodation, conference facilities, numerous events` venues, delicious cousin, relaxation facilities, cultural events and entertainment options. Besides all this, Bernardin is characterized by the short distances between all the venues, which allow visitors to reach all the activities, business, social or cultural sites on foot.
