

## Annex D2/20 to the Certificate No. 198-12

### SCOPE of ACCREDITATION

of

### HELLENIC SOCIETY OF NDT (H.S.N.T.)

*as a Persons Certification Body  
in the voluntary area*

| Description of Certification                                                                                                                                                                                  | Regulations / Standards / In house Procedures                                                               |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------|
| Certification of persons carrying out Non Destructive Tests                                                                                                                                                   | EN ISO 9712 :2022<br><br>HSNT O.E. 1.1, ed 1.<br>22/10/2024                                                 |
| Certification of persons carrying out Non Destructive Tests with industrial radiography (RT)<br><i>- level I, II and III: castings and welds</i>                                                              | O.E. 12.1.1, ed. 4,<br>19/10/2021<br>O.E. 12.2.1, ed. 3,<br>19/10/2021                                      |
| Certification of persons interpreting industrial radiographs (RI)<br><i>- level I and II: castings and welds</i>                                                                                              | O.E. 12.1.1, ed. 4,<br>19/10/2021<br><br>O.E. 12.2.1, ed. 3,<br>19/10/2021                                  |
| Certification of persons carrying out Non Destructive Tests with ultrasounds (UT)<br><i>- level I, II and III: castings and welds</i><br><i>- level I and II: testing and thickness measurement of plates</i> | O.E. 12.3.1, ed. 5,<br>19/10/2021<br>O.E. 12.4.1, ed. 4,<br>19/10/2021<br>O.E. 12.5.1, ed. 4,<br>19/10/2021 |
| Certification of persons carrying out Non Destructive Tests with ultrasounds (UT) using phased array transducers<br><i>- level I and II: welds</i>                                                            | O.E. 12.9.1, ed. 2,<br>25/10/2021                                                                           |
| Certification of persons carrying out Non Destructive Tests with ultrasounds (UT) using the Time of Flight Diffraction (ToFD) technique<br><i>- level I and II: welds</i>                                     | O.E. 12.10.1, ed. 2,<br>25/10/2021                                                                          |

|                                                                                                                                                                      |                                    |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| Certification of persons carrying out Non Destructive Tests with visual testing (VT)<br>- level I, II and III: general manufacturing products                        | O.E. 12.6.1, ed. 3,<br>25/10/2021  |
| Certification of persons carrying out Non Destructive Tests with magnetic particles (MT)<br>- level I, II and III: general manufacturing products                    | O.E. 12.7.1, ed. 4,<br>31/10/2021  |
| Certification of persons carrying out Non Destructive Tests with liquid penetrants (PT)<br>- level I, II and III: general manufacturing products                     | O.E. 12.13.1, ed. 4,<br>31/10/2021 |
| Certification of persons carrying out Non Destructive Tests with infrared thermography (TT)<br>- level I, II and III: electrical, mechanical and civil installations | O.E. 12.12.1, ed. 2,<br>31/10/2021 |
| Certification of persons carrying out Non Destructive Tests with Eddy current method (ET)<br>- level I, II and III: general manufacturing products                   | O.E. 12.11.1, ed. 3,<br>31/10/2021 |

Address of Body head office: **P.O. Box 64066, Zografou, NTUA, GR-157 10, Athens, Greece.**

Approved Signatory: **Evangelos Hristoforou, Athanasios Anastasopoulos, Antonios Antonakakis.**

This Scope of Accreditation replaces the previous one dated **29.05.2026**.

The Accreditation Certificate No. **198-12**, according to ELOT EN ISO/IEC 17024:2012, is valid until **08.03.2030**.

Athens, **21.09.2026**

  
Konstantinou Evangelos Apostolos  
CEO of ESYD
